Denplan for Children monthly band fees:
 C - £9.42 D - £12.12 E - £14.79

As dental treatment is planned for each individual according to their specific needs and desires, this fee scale is a guide only. Every patient will be given a full estimate detailing their costs for that course of treatment. We encourage all of our patients to ask about anything they are unsure about.

* With a registered parent [†] Applies to deciduous teeth only. For permanent teeth see Adult Fee Guide
